

## Raumati Swimming Club Needs You

Once your child begins to compete we need parents to volunteer to assist at the swimming competitions they attend.

This is a condition set out in the membership forms which parents/caregivers sign when joining the club.

In order to run swim meets it takes considerable organisation and planning by the swim club, all of which is done on a voluntary basis.

As a club we are required to provide a minimum number of officials at each meet. The specific jobs vary from Time Keeping, Door Duties to providing refreshments.

If all parents assist with these duties then you won't have to help at every meet you attend.

All training and support is provided and it is a great way to meet new people and become more familiar with the sport.

Have a go at Time Keeping at Club Race Nights

Many thanks
