

Selection for Wellington relay teams at SNZ national meets.

SW selectors have reviewed the selection processes for relay teams at NZ competitions and championships and advise the following procedure will now apply:

1. Clubs, via the Race Secretary, will forward nominations in the form of a TM c-file to SW (selectors) prior to the advised closing date.
2. SW selectors will forward a recommended relay team to the Wellington Team Manager, and will enter the fastest teams based on the times submitted.
3. Teams will not be announced prior to the competition.
4. At the competition, the Wellington Team Manager will assess (review) the form of swimmers, and may consult club coaches poolside.
5. Individual swimmers who are selected for the relay team will be advised via their club Team Manager or Coach, prior to the proposed relay swim session.
6. **It remains the policy of SW to enter the fastest team for the final of each relay event.**
